3. Safety and Conformity

In accordance with the General Product Safety Regulation (EU 2023/988), CITY SPORT CAPS declares that the caps we produce comply with the necessary safety standards and regulations for consumer products within the European Union. Safety measures have been taken to ensure the health and safety of our customers, particularly in the following areas:

- Materials: All our products are manufactured from materials that comply with the safety requirements of the REACH regulation (EC 1907/2006), which limits harmful substances.
- Design and Quality: Our caps are designed with attention to safety, with all parts securely attached to avoid choking or injury risk

4. Risk assessment and testing

All our caps are subjected to rigorous safety assessments and testing to meet European safety standards. This includes:

- Mechanical tests: To ensure there is no danger of choking from loose parts.
- Physical tests: To ensure the products do not contain sharp edges or breakable parts that could cause damage.
- Chemical tests: All our materials are tested for the presence of harmful substances and comply with OEKO-TEX® Standard 100 for product safety to the maximum extent.

5. Declaration of conformity and certificates

As part of our commitment to product safety, we confirm that all caps we produce comply with the European Union's General Product Safety Regulation (GPSR) (EU 2023/988). This is demonstrated by our internal safety and quality assessments, as well as external tests carried out by accredited laboratories.

6. Market surveillance and responsibility

We cooperate with relevant authorities to ensure that all our products meet the highest safety standards. In case of a safety issue or defect, swift action is taken to remove the product from the market and inform consumers.
